Table B-I/2 (continued)**Notes:**

¹ *Endorsement attesting recognition of a certificate* means endorsement in accordance with regulation I/2, paragraph 7, issued under the conditions specified in regulation I/10, paragraph 1. Documentary proof that an application for an endorsement has been submitted to the Administration shall also be accepted under the conditions specified in regulation I/10 paragraph 5.

² *Registration required* means as part of a register or registers in accordance with regulation I/2, paragraph 14.

³ *Revalidation of a certificate or maintenance of the required standard of competence* means establishing continued professional competence in accordance with regulation I/11, undertaking appropriate refresher training or providing evidence of having achieved or maintained the required standards of competence in accordance with regulations V/2 and V/3; and sections A-VI/1 to A-VI/3, as applicable.

⁴ In accordance with article VIII, if a seafarer serves in a capacity for which they do not hold the appropriate certificate, a dispensation issued by the Administration should be required. However, this is not applicable to radio operators, unless the relevant radio regulations provide otherwise.

⁵ Revalidation in accordance with regulation I/11.

⁶ As required by regulations V/2, paragraph 4 and V/3, paragraph 12, seafarers shall, at intervals not exceeding 5 years, undertake appropriate refresher training or be required to provide evidence of having achieved the required standard of competence within the previous 5 years.

⁷ The certificates of competency issued in accordance with regulations II/1, II/2, II/3, III/1, III/2, III/3, III/6 and VII/2 include the proficiency requirements in “basic training”, “survival craft and rescue boats other than fast rescue boats”, “advanced fire fighting”, and “medical first aid”; therefore, holders of certificates mentioned are not required to carry Certificates of Proficiency in respect of those competencies in chapter VI.

⁸ Seafarers qualified under regulation VI/1 (basic training) related to the competencies “personal survival techniques” and “fire prevention and fire fighting”, regulation VI/2 (survival craft, rescue boats and fast rescue boats) and regulation VI/3 (advanced fire fighting) are required, every 5 years, to provide evidence of having maintained the required standards of competency in accordance with the provisions of sections A-VI/1, paragraph 3; A-VI/2, paragraphs 5 and 11; and A-VI/3, paragraph 5.

⁹ Ship security officer training encompasses the competency requirements of section A-VI/6, and therefore holders of such a certificate of proficiency should not be required to undergo further training and obtain certification under section A-VI/6 related to competency for security awareness and training for seafarers with designated security duties. In addition, training for seafarers with designated security duties encompasses the competency requirements of section A-VI/6, paragraph 4, and therefore holders of such certificate of proficiency should not be required to undergo further training and obtain certification related to competency for security awareness.

¹⁰ Where security awareness training or training in designated security duties is not included in the qualification for the certificate to be issued, a certificate of proficiency shall be issued indicating that the holder has attended a course of training for designated security duties.

¹¹ Where training in medical first aid or medical care is not included in the qualifications for the certificate to be issued, a certificate of proficiency shall be issued indicating that the holder has attended a course of training in medical first aid or in medical care.
